The including all-rounder

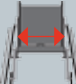

- **Jump alpha** is the junior version of our **Jump family** and an including all-rounder for a life close to normality.
- **Jump** is flexible and versatile while adapting easily to new needs. A real champion of variety.
- **Jump alpha** is suitable for children and adolescents (from seat width 24 cm)
- **Jump** embodies a new generation of foldable wheelchairs: adaptable, minimized pack size and torsion-resistant similar to a rigid frame.
- **Jump alpha** is your reliable companion at home, at school, with friends, on the sports field...

When folded, **Jump alpha** fits easily in any car trunk. **Jump alpha** is the perfect companion for all outdoor activities.
